Job Description and Person Specification

Associate Lecturer in Commercial Courses – Health and Safety in a Construction Environment (Bank)

Team: Commercial

Reports to: Commercial Team Leader

Location: Group Wide

Job Purpose

- To undertake teaching activities in the curriculum area, ensuring a high quality of provision, in response to learners' needs.
- To work collaboratively and innovatively with managers and colleagues to design, develop, manage and review programmes in the curriculum area.
- To ensure that student needs are met in a responsive way, in line with the concept of inclusive learning.

Key Responsibilities

- To undertake teaching and learning related activities, including tutoring, as agreed.
- To ensure that appropriate learning materials are prepared and assessments and assignments are undertaken in a timely manner.
- To undertake administration and provide reports and statistics regarding student and teaching matters.
- To take an active role in the achievement of high individual student retention and success rates, meeting or surpassing the relevant targets for each.
- To develop curricula and learning activities, taking into consideration literacy and numeracy development, and equality and diversity.
- To understand personal responsibilities in relation to Safeguarding.
- Keep up-to-date with current issues, changes, and policies relating to the educational sector.
- To participate in marketing activities and promote the College for the purpose of gaining sponsorship, advertising, good public relations and increased recruitment.
- To undertake the delivery of literacy and numeracy embedding within taught sessions.

Role Context

Chichester College Group expects staff to:

- Work within the context of the Group's core values, code of conduct, quality requirements and continuous improvement ethos.

- Undertake their duties in accordance with Group policy and procedures, particularly with respect to:
  - Human Resources policies and procedures;
  - Equality, diversity and inclusion policies and procedures;
  - The Group's health and safety policies and procedures;
  - Safeguarding and Prevent;
  - The Group's policy on the confidentiality of data stored electronically and by other means in line with data protection legislation.

- Keep abreast of developments in their own area of expertise and undertake staff development opportunities where identified and approved, subject to funding.
- Support and uphold the Group's environmental sustainability commitment and work towards helping the Group achieve net zero carbon emissions.

Evening and weekend work may be required.

You may be required to undertake such duties as may be reasonably required of you commensurate with this grade.

Work outside the Group must not interfere with the effective delivery of your duties. Additional work requires approval by the Chief Executive Officer.

Other supporting information can be found on the Group's website.

This job description is current at the date shown below. It is liable to variation by management in consultation with you to reflect or anticipate changes in, or to, the job.
